# WOMEN'S SUMMER FASHION

1. *White dress with Deep neck + Summer Hat + Black purse = Fun Elegance*

We have plenty of exciting reasons and occasions to get dressed up in summer. Summer outfits can be inspired by latest fashion influences that perfectly balance classic style with staying power and fun seasonal trends.

There are summer outfit ideas that are incredibly simple but not lacking personality. There are casual, everyday separates that can take you from breakfast to the beach. Think lightweight fabrics and relaxed silhouettes, beautifully embroidered skirts, shell necklaces, and intricately woven sun hats you'll want to lock in. Here are some summer fashion trends you can look upto.

2. *String Bikini + Shrunken Cardigan + Jean Shorts = Beach Chic*

3. *Floral Dresses + Shell Necklace/Sun Hat + Sandals = Meadow Sweet*

4. *Puff-Sleeve Blouse + Paper-Bag Trousers + Canvas Tote + Suede Sandals = Summer Formals*

**MEN'S SUMMER FASHION**

1

**1. CAMP COLLARS**

Camp collars, sometimes called vacation collars, are shortened rounded collars that usually end in a vee in a boxy button-down shirt. The flat, lapel-style collar adds a touch of something different to what might otherwise be a bland outfit, creating a subtle focal point to tie a look together.

Many might think men almost have the same fashion all year round but that's not the case. Men's summer Fashion is also regulated according to the runway showcases according to each season. Summer weight fabrics will be lighter, with looser weaves allowing heat to escape and keep you cool. Men can wear summer clothing to look stylish without putting much effort.

# MUST HAVE

## SUMMER ACCESSORIES

### 1. FLOPPY HAT

Nothing says summer chic quite like an oversized floppy hat. This classic favorite adds a touch of elegance to even the most casual outfit, and it looks just as fitting at an outdoor wedding as it does on the beach. Even better, wide-brim hats offer serious sun protection, which can help you ward off skin damage and keep tresses from fading.

### 2. WEDGE SANDAL

The wedge sandal serves as the ideal compromise between traditional high heels and summer's ultra-casual flip-flops and flats. Wedges are comfortable enough for a walk in the park or a stroll down the boardwalk, yet stylish enough to make jeans, dresses and capris look fashionable. The thick wooden or cork base eliminates the hazards — and discomfort — of high heels, while the strappy designs add style to any outfit.

### 3. SUNGLASSES

Sunglasses are the ultimate must-have accessory for summer. Not only do they protect your eyes and help minimize skin damage, but a great pair of shades simply makes you look cool in a way no other accessory can. With so many designs and materials to choose from, trying on different looks is half the fun. Retro styles are especially hot right now

### 4. SUMMER SCARF

Light summer scarves serve as the perfect way to add eye-catching color to everyday outfits. Wrap a lightweight scarf around your neck to dress up jeans and a tee, or wear one with your favorite dress to stay warm in overly air-conditioned buildings. Scarves also make great belts to add a pop of color to your outfit, and many can even be worn as sarongs when you need a bit of extra coverage at the beach.
