LIVING ROOM

The living room was made in class as a part of our mid-term assignment. It is the standard living with fixtures and furniture found in most of the living rooms such as a television cabinet , sofa set, study table, shelves, calendar, wall clock, photo frames, wall hanging, etc.

A KIOSK

The Kiosk has been designed to sell dessert and other beverages such as boba shake, cappucino, smoothies, etc. It has offers service as both – takeaway and eat in. The name of the brand has been kept 'KSJ' – which stands three of my favourite desserts – Kopiko cake, smores and joffre cake.
